

Access Statement  
for  
Wood View Guest House

## **Introduction**

Wood View is set on the village green in Austwick and offers five en-suite guest rooms. The house is three hundred years old and offers accommodation over three floors, bedrooms being on the first and second floors. Whilst we try to meet the needs of all of our guests there are some period features and stairs which make access difficult for people with limited mobility. We have rooms at different levels and therefore there are steps into some rooms. Ceilings are fairly low, some with exposed beams, and door proportions are not suitable for wheelchairs. However we do aim to cater for the needs of our visitors and if you have any specific questions please do not hesitate to contact us and we will endeavour to help.

## **Pre-Arrival**

- We are located in the centre of the village which is approximately 5 miles from the nearest town, Settle.
- There is a bus stop 120 yards away and there is a limited service to and from Settle. Buses run six times a day and there is no service on Sunday or Bank holidays.
- The nearest railway station is Clapham but trains also run into Giggleswick and Settle. Taxis are not available at the station but we can book one for you in advance.
- The local taxi service is in Austwick and we can make bookings for you.
- There is a village shop and Post Office 60 yards away and this provides newspapers and most daily needs.
- We do not have any pets so are able to welcome well behaved dogs by prior arrangement.
- Brochures and breakfasts menu can be provided in large print if required. We regret that we do not have the facilities to prepare documents in Braille.
- We do not have a hearing loop and would therefore recommend that profoundly deaf guests are accompanied by hearing personnel so that should the fire alarm sound they can be alerted.
- Our website [www.woodviewbandb.com](http://www.woodviewbandb.com) provides pictures of our accommodation and further information about the services we provide.
- You can contact us by telephone or e-mail. Please see the 'Contact Information' section of this document for full details.

## **Arrival and Car Parking Facilities**

- In order to prepare for your visit we ask guests not to arrive before 4pm. Earlier arrival may however, be possible by prior arrangement.
- Please advise us of your anticipated arrival time so that we can make sure one of us is here to welcome you.
- On arrival, pull up in front of the house and we will assist you with your luggage and show you to your room. (The road is very narrow but dropping off bags and loading is permitted).
- The car park is to the back of the building up a narrow lane. The surface is flat and gravelled. There are no parking bays marked but there is sufficient room for guest's cars. You may, however, choose to leave your car next to the village green in front of the house.
- There is no access to the back of the house from the car park so retrace your steps down the lane and enter through the front door.
- There are no street lights in Austwick but security lights come on in the car park and as you progress towards Wood View.

## **Main Entrance**

- Entrance to the building is flat with the porch door unlocked and open during the day.
- At night the door is locked. The door bell is located to the left of the door.
- There is another bell inside the front lounge. Please ring either bell on your arrival.
- Guests are issued with a front door key and have access to their room throughout the day.

## **Guest Accommodation – Public Areas**

- Wood View is accessed through a front porch 1.3m x 1.1m which leads through a door into the guest lounge.
- The dining room is off the guest lounge through a low door ( 1.8m ) with exposed beam ceiling.
- The information area at the bottom of the stairs has a small step to access it. A fire exit door is located here.
- There is a door from the guest lounge which leads to the first floor (12 stairs), having a hand rail to the left of the staircase.
- We have a downstairs toilet (unisex) which can be made available to guests during their stay. This can be accessed via the information area.
- Guests cannot use the back door as a way of entry but it can be used to exit the building in case of a fire.

- The house is centrally heated throughout. Temperatures can be adjusted to suit individual requirements in the first floor rooms. There is a portable convector heater on the second floor for guest's use.

## **Lounge and Dining Room**

- Guests are welcome to use the lounge at any time.
- The lounge has two sofas, two easy chairs and a rocking chair. Further seating can be brought in from the dining room.
- The lounge is carpeted and has an open fire during cold weather.
- A selection of local information, maps, magazines and board games are available in the lounge.
- Breakfast is served in the dining room.
- The dining room is carpeted throughout and has four smaller tables seating two persons and a larger table seating four persons. The furniture is flexible and can be moved to suit individual needs.
- We are not licensed for the sale of alcohol.
